

REMARKS-General

1. The original allowable claim 2 is amended into an independent claim that incorporates all structural limitations of the original claim 1 and includes further limitations previously brought forth in the original allowable claim 2. The dependent claims 3, 4 and 6 are rewritten to be of sufficient clarity and detail to enable a person of average skill in the art to make and use the instant invention, so as to be pursuant to 35 USC 112. No new matter has been included.

Response to Rejection of Claims 1 to 6 under 35USC112

2. The applicant submits that the amended claims 2, 3, 4, and 6 particularly point out and distinctly claim the subject matter of the instant invention, as pursuant to 35USC112.

Response to Rejection of Claims 1 and 5 under 35USC102

3. The rejected claims 1 and 5 are deleted in this application.

The Cited but Non-Applied References

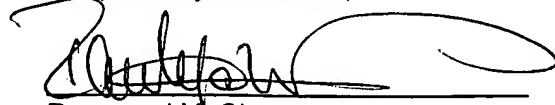

4. The cited but not relied upon references have been studied and are greatly appreciated, but are deemed to be less relevant than the relied upon references.

5. In view of the above, it is submitted that the claims are in condition for allowance. Reconsideration and withdrawal of the objection and rejection are requested. Allowance of claims 2, 3, 4, and 6 at an early date is solicited.

6. The applicant submits a Power of Attorney herewith to appoint the following attorney(s) and/or agent(s) to prosecute the above application.

7. Should the Examiner believe that anything further is needed in order to place the application in condition for allowance, he is requested to contact the undersigned at the telephone number listed below.

Respectfully submitted,

Raymond Y. Chan
